

Evangelism Class #17 - Handling Objections part 2

Objections to God continued:

28. It seems like God is so strict He's trying to take all the fun out of life!
29. How can you be sure there's only one God, not many gods?
30. Doesn't the concept of a trinity suggest there are 3 gods?
31. If God loves all people, why does He condemn homosexuals to hell just for being born that way?
32. Some of the things you say God restricts for our good don't seem that bad. Like sex before marriage or drinking alcohol but not getting drunk.
33. If God is real, why can't He just stop all the disease and pain in this world?
34. Don't most people believe in God just because they need something to make themselves feel better? Religion has been called "the opiate of the masses" before.

Objections to the Bible:

35. Wasn't the Bible written by men?
36. Any book can claim to be from God, so how can we know the Bible is really is divine?
37. Doesn't the Bible contain contradictions?
38. Why are all 4 accounts of Jesus' life different?
39. How can we trust the Bible we have now? Wasn't it changed over time like in the game of telephone?
40. Isn't the Bible full of errors?
41. How do we know the Bible isn't just full of myths and fairy tales?
42. What if people weren't alive to discredit the events because the Bible was written way later?
43. Doesn't the Bible say God told His people to commit genocide?
44. Didn't God have children killed too?
45. How is that any different from the Koran which says to kill infidels?
46. What justified the Crusades then?
47. Doesn't the Bible promote slavery?
